CALENDARS - WARBIRD

FLYING LEGENDS 2012 CALENDAR

The *Flying Legends 2012* sixteen-month calendar features legendary warbirds from around the world, captured in flight by award-winning photographer John M. Dibbs. Razor-sharp, un-retouched air-to-air photography brings these old warbirds to life—you can almost hear the roar of their piston engines as they fly past the photographer.

Reproduced to exacting standards, each month's full-color picture is suitable for framing. Additionally, every month includes vintage photography and technical specs for the plane

Measures 430 x 305mm 28 pages #997 NZ\$33.00
